## SUMMARY

---

MERN Stack Developer with a B.Sc. in Computer Science and a strong focus on front-end development. Proficient in React.js and Tailwind CSS, with a keen eye for building clean, responsive, and user-friendly interfaces. Completed a full MERN Stack course and developed a complete full-stack project during the program. While still gaining hands-on experience in backend technologies like Node.js, Express.js, and MongoDB, I bring solid frontend skills and a strong drive to grow as a full-stack developer through real-world projects..

## EDUCATION

---

<b>BSc Computer Science</b> , University of Kerala	2021 – 2024
<b>Higher Secondary</b> , State Board of Kerala	2019 – 2021

## EXPERIENCE

---

<b>MERN Stack Developer Intern</b> , Luminar Technolab, Kochi	June 2024 – Jan 2025
<ul style="list-style-type: none"><li>Gained hands-on experience in developing full-stack web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js), with a focus on building dynamic, responsive interfaces, integrating RESTful APIs, managing databases, and deploying applications.</li></ul>	

## CERTIFICATIONS

---

- MEAN/MERN Full Stack course from Luminar Technolab
- National Council for Technology and Training (NACTET)

## PROJECTS

---

<b>Project Fair</b>	Live Link
<ul style="list-style-type: none"><li>Project Fair is a comprehensive platform designed to serve as a centralized hub for software development projects. Users can effortlessly add, manage, and access a wide array of projects available on the site. Project Fair is built using a modern web development stack, including React JS as Frontend, Node.js with Express.js for handling server-side logic and API requests for Backend and MongoDB for data storage and retrieval.</li></ul>	
<b>E-Cart</b>	Live Link
<ul style="list-style-type: none"><li>E-Cart is a user-friendly e-commerce website built for seamless online shopping designed using Redux. The platform ensures a smooth user experience with efficient product management and intuitive navigation.</li></ul>	
<b>Shop Now</b>	Live Link
<ul style="list-style-type: none"><li>A stylish and responsive clothing website built with MERN Stack and TailwindCSS. Users can browse clothing items, add them to cart or wishlist, customize designs, view detailed product pages, and manage their account.</li></ul>
